Vacations for Adults with Developmental Disabilities

## Volunteer...

### You can make a difference!

**Volunteer with People and Places as a Vacation Escort**

Do you love to travel...by land...by air...by sea?  
To see the world and share that experience  
with others at no financial cost to you?

Are you responsible, dependable, positive,  
fun and energetic, friendly and caring?

Do you have experience with persons with special needs?  
Have excellent judgement and leadership qualities?  
Have outstanding references? Love to have fun...  
and know how to help others have fun too?

## Join Us and Travel!

Travel with small groups of persons with developmental disabilities to destinations around the USA and beyond. And travel where "doing good" is your destination. Open the world to others.
